

Inspire Adult Mentor

RESPONSIBILITIES & EXPECTATIONS

Thank you for sacrificing your time to be an adult mentor at Inspire! We are excited to experience this life-changing week of prayer, sisterhood, and adventure. Below, you will find a list of both your responsibilities and Fidelis National's expectations for our adult mentors. After reading through these lists, please sign and date, and then have your Lead Lady sign and date. Lead Ladies will return all these forms to Fidelis National upon arrival and check-in.

Responsibilities

- Work alongside at least one other Fidelis mentor to facilitate a small group. These will be assigned prior to Inspire and communicated upon arrival.
- Provide basic assistance with setup and tear down of Inspire activities. National will have a general idea of these needs beforehand, but we also appreciate your willingness to jump in at the last minute when assistance is needed.
- Make sure that both you and your Fidelis sisters understand and honor the daily schedule. This includes complying with curfew and wake-up times (which have a direct impact on the flow of the entire day).
- Make sure sisters are present on the bus or other means of transportation (arrival, departure, whitewater rafting).
- Make sure sisters are appropriately dressed at all times. Our dress code is an important part of Inspire, and we need your help to abide by and hold the girls accountable to this code.
- Observe sisters for suspicious behavior that may involve breaking the rules.
- Be on guard for loud, obnoxious, and/or rude behavior. Do not tolerate this behavior, and involve Fidelis National if the problem persists.
- Inquire within assigned group about any individual medical abnormalities.
- Assist in medical emergencies and contact the camp nurse or another Inspire leader immediately.
- Check rooms for any damage or items that have been left behind.

Expectations

1. Inspire Adult Mentors are expected to have completed and be current with all Safe Environment Requirements for their parish or diocese.
2. Inspire Adult Mentors know that the primary reason for their involvement at Inspire is to serve their Fidelis sisters. They understand that these responsibilities will disrupt their usual sleep and activity schedule (we're all in this together!).
3. Inspire Adult Mentors are to be present and available to the Fidelis sisters during activities as well as fully participate in all activities (unless the mentor has notified staff of a medical reason that prevents participation).
4. Inspire Adult Mentors are to attend daily mentor meetings to review the previous day and prepare for the day ahead.
5. Inspire Adult Mentors must abide by and enforce the Youth Disciplinary Code (detailed in their information packet) and inform National of any serious violations of this code.
